

Healthcare's newest name
has a well-known family.
Introducing Medfinders.

The healthcare company you know and trust is part of a bigger family. Introducing Medfinders. At seven companies strong, we're one of the largest, most comprehensive healthcare solutions companies in the nation. Now you can benefit from the responsiveness and service of a specialized company together with an unrivaled depth of resources including:

- ▶ **Access to the nation's number one provider of managed staffing programs**
so you can better manage your contract labor across your entire organization.
- ▶ **The industry's widest range of high-caliber healthcare skills**
including physician, nursing, allied & homecare professionals.
- ▶ **Nationwide resources**
Including over 100 offices, and nearly 20,000 professionals placed on healthcare assignments each year.
- ▶ **Specialized service from leading experts**
who coordinate with one another to streamline the staffing process, better manage costs, and make your job easier.
- ▶ **Over 35 years of experience**
